

2025 Chemistry Connects

November 4-5 - Columbus, Ohio

Agenda

Tuesday, November 4

Athletic Club of Columbus

11:30am-2:30pm – Safety & Sustainability (S&S) Committee Meeting

Athletic Club (2nd Floor)

The OCTC Safety & Sustainability Committee will be meeting to discuss best practices surrounding protecting our workers, communities, and the environment. This meeting will feature member company presentations, guest speakers from key state agencies, and robust collaboration and discussion.

3:00-4:30pm – Government Affairs Committee (GAC) Meeting

Athletic Club (2nd Floor)

The GAC meeting will discuss the OCTC's policy priorities, including updates on legislative advocacy efforts and political news in the state of Ohio. This meeting will feature presentations from OCTC's advocacy team and a special guest speaker from the legislature.

4:30-7:30pm – Networking Evening

Athletic Club (The Booth)

Join your colleagues for a casual evening at The Booth, featuring live music, bowling, and networking with chemical industry professionals.

Note: All event attendees are welcome to participate in all the committee meetings and events listed above. No need to be an committee member.
